About Betvis

Betvis International CO. Limited was established in 2009, with factory based in shanghai, covering over 36,000 square meters, the production base is equipped with first-class production and assembly lines, all empowered by a strong R&D team. This state-of-the-art facility can achieve a monthly output capacity over 8,000 units, with a wide range of DS products, like digital signage player, high brightness window display, floor standing kiosk, stretched display, bus LCD monitor, interactive display, DOOH device, and more.

Making a better visual of digital signage is what Betvis has been pursuing for so long. By working with customers who are as dedicated as we are, we have made this dream come true in over 70 countries. Our passion for digital signage has never diminished, which makes our lives full of challenges, motivation, and fun.
